Horse Show Incentive Program

Sunnybrook Elite Riding Club wants to encourage all our members to attend as many horse shows per month as possible to achieve the greatest results and development both in and outside the show ring. We are a competitive show barn and our yearly show schedule focuses (ideally) on two shows per month to help our members achieve their equestrian goals. Sunnybrook has created a Horse Show Incentive Program so that for every horse show our members attend, they will be given a horse show discount of \$150 for an "A" 5 day show and \$100 for a "B" 3 day show to be credited off the Sunnybrook horse show invoice. If our members attend 2 shows a month, they will receive a \$300 discount off their show bill.
